RE: Pool Opening as of April 3, 2021

To: All Owners

The Shared Amenities Board has thought long and hard about the Safety of the Homeowners and their guests. At this time, the Governor of South Carolina has changed the Restrictions for a lot of things in the State of South Carolina. However, the CDC and Accelerate SC Website do still have Guidelines that have to be met for Community Pools and Hot Tubs to be opened. One of those Guidelines is as follows "Cleaning and disinfecting commonly used surfaces such as bathrooms, doors, handrails, ladders, gates, lawn chairs, drinking water fountains, picnic tables, etc. between each use by a different person, or at a minimum of once a day if unused." The second being 6 ft for Social Distancing.

The Board feels that in order to follow this Guideline they will need to have a person at the Pool at all times while it is open. Therefore, for a trial run the Indoor Pool will be open starting on April 3, 2021 on Saturdays from 9am until 5pm and Sundays from 12pm to 6pm. There will also be a Limit of 10 Homeowners only in the Pool area at once due to the Social Distancing Guideline. Also, the Pool Furniture will be removed so please bring your own chairs.

If at any time if the above Guideline is removed or lessened by the Accelerate SC Website the Board will open the Pool back to its regular Hours of 9am to 9pm.

Remember to be safe while you are at the Pool. Please wear a mask at all times unless you are in the water and be courteous of other Homeowners and their Guests.

Sincerely;
